September 12, 2017

Dear Coach,

I would like to invite your team to The University of Calgary Dinos Invitational Wrestling Tournament on Saturday, October 28, 2017. Please see the attached tournament document for detailed information.

We will be competing in two 3-hour sessions. All matches and awards for a weight will be completed within the session. I'll distribute the weight class info in advance so you can inform your team.

Coaches please supervise weigh-ins personally and have your medical or training staff inspect all athletes for contagious skin infection. Please do not enter any athlete with a contagious skin infection. As Tournament Director, I reserve the right to disqualify any athlete from this competition that the Tournament Doctor deems to be a risk to others for infectious transfer.

Only wrestlers declared as varsity team are allowed to wear team-coloured singlets. All other athletes must wear red and blue singlets as per WCL rules. When you send your registration, please be very clear which athletes are CIS eligible (or are varsity athletes) and which are club athletes. Varsity team members only score team points towards the varsity team title. No club team award will be offered.

All entry fees should be paid using debit, credit, or cash at the Kinesiology Client Services desk immediately adjacent to the gym entrance. Please pay them in advance of the tournament start. If you must use a cheque then make it out to the Calgary Heat Wrestling Society. Receipts will be available.

Dinos dual meets or individual exhibition matches are offered Friday October 27 in the evening 6-9pm. Please contact me a week in advance to arrange access for your team.

Sincerely,
Mitch Ostberg
Tournament Director
