2018 Skill Awards Program Camp

The Alberta Amateur Wrestling Association invites all tyke, novice and kid wrestlers to the 2018 Skill Awards Program! Working with coaches and senior athletes at the University of Alberta, our youth wrestlers have the opportunity to earn bronze, silver & gold badges working through a series of fundamental techniques that will guide them through the sport of wrestling and, perhaps, to the top of the Olympic podium! This camp is free. Athletes can stay for any single session or complete all three and take home all three badges!
