Red Dot Verification

This weight verification process will be in place to ensure athletes are weighing in appropriately for this tournament. A reminder that all coaches are expected to weigh their athletes in and enter them into a weight class in which they will weigh in on the morning of competition, at a weight of **no more than one kilogram above their entered weight**. 10% of athletes entered will be randomly selected and will have a red dot beside their name on their respective wall chart upon their arrival. Such athletes will be required to weigh in at the times listed above. Any athlete who weighs in and is more than 1 kg above their entered weight will forfeit their entry fees and not be able to compete in the tournament. Furthermore, if any team has an athlete that weighs in above the 1 kg allowance, the entire team will be required to weigh in. Similar to the red dot athletes, anyone who is over the 1 kg allowance will forfeit the tournament with no entry fees being refunded.

Pre Registration – due by February 18th

All invited teams will be sent this tournament information. Should teams wish to participate, they must send their intent to do so to **by February 18th**, to amyswedlo@shaw.ca. Once received your intent will be acknowledged via email by Amy who will send you a link to register via track wrestling.

Registration – entries due by February 27th, 7 pm

Once Amy sends you the Track Wrestling Link, you will be required to enter all athletes by **Wednesday, February 27th, at 7:00pm**. A note to all coaches. Please confirm that you entries are correct via Track Wrestling by Thursday, February 28th at 7:00 pm. No changes will be done after this date. If corrections are required prior to this date and time, please email Amy at amyswedlo@shaw.ca to make corrections. After that date, no scratches will be allowed and on tournament day, any athlete who does not show for his match will forfeit that match. Fees will be collected for all registered athletes. We will be starting at all scheduled times for each weight class. Coaches, have your athletes ready on site, on time, as we will not be able to wait.
