RED DOT VERIFICATION FOR U17 & U19:

This weight verification process will be in place to ensure athletes are weighing in appropriately for this tournament. A reminder that all coaches are expected to weigh their athletes in and enter them into a weight class in which they will weigh in on the day of competition, at a weight of no more than one kilogram above their entered weight. 10% of athletes entered will be randomly selected and will have a red dot beside their name on their respective wall chart upon their arrival. Such athletes will be required to weigh in at the times listed above. Any athlete who weighs in and is more than 1kg above their entered weight will forfeit their entry fees and not be able to complete in the tournament. Furthermore, if any team has an athlete that weighs in above the 1kg allowance, the entire team will be required to weigh in. Similar to the red dot athletes, anyone who is over the 1kg allowance will forfeit the tournament with no entry fees being refunded.

Please note - although athletes grouped by weight are not in the red dot verification process, if an athlete of any age is thought to be outside their weight class they can be asked to weigh in at coaches discretion. Please ensure registered weights are accurate for each athlete
