COACHES PLEASE READ ALL THE INFORMATION

Welcome to the Churchill Classic Wrestling Tournament. We are committed to providing wrestlers, coaches, and spectators with a positive wrestling experience. Our goal is to get every wrestler as many matches as possible. Last year the majority of wrestlers went home with 4 to 6 matches under their belt. We will run a round robin tournament for each weight class followed by championship and consolation rounds.

The tournament has been broken up into sessions of different gender, age & weight classes. The fewer number of weight categories per session means wrestlers must be prepared to compete more frequently.

ALL WRESTLERS must check in at the registration desk prior to their session at the assigned times. Failure to check in will result in being scratched from the tournament.

Lastly, session groups are subject to change if registration numbers are not balanced. A notice will be sent out Thursday evening at the latest to notify coaches of any changes.
