Subject: COVID-19 Update

As of November 24th, the Government of Alberta has added additional enhanced public health measures to help alleviate the spread of COVID-19. As part of these measures, all levels of sport in enhanced zones are to cease operation for a minimum of three weeks, November 27th to December 15th. Currently, all AAWA member clubs fall within these updated enhanced zones. **Due to this order, the current pause will be extended and all AAWA member clubs are to cease in-person practice activities until December 15, 2020.** An update will be provided by the Government of Alberta on, or before, this date. Currently, Alberta Wrestling has not received any information from Alberta Health Services on possible exemptions.

Thank you for your compliance and helping Alberta combat COVID-19. Alberta Wrestling wishes everyone a safe and healthy holiday season.
