# 2018 Churchill Wrestling Classic

## Tournament Format & Schedule

Welcome to the Churchill Classic Wrestling Tournament. Our goal is to get every athlete as many matches as possible. This means we will run a round robin tournament for each weight class followed by championship and consolation rounds.

The tournament has been broken up into 5 sessions with different weight classes competing in each. The fewer number of athletes per session means athletes must be prepared to wrestle more frequently. This will reduce the amount of time needed for warm-up and cool down between bouts. It also reduces wait time for athletes and spectators. Please be advised athletes may not be given a minimum of 15 minutes between bouts.

Round robin bouts will be 2 x 2 minute rounds. Championship and Consolation rounds will be 2 x 3 minute rounds for high school and 2 x 2 minute rounds for Jr. High.

The number of pools and number of athletes per pool will be determined at the completion of each weight check. The top 2 finishers in each pool will advance to the championship rounds. In some cases the 3<sup>rd</sup> place finisher may also advance.

### **EXAMPLE - 4 Pools: A, B, C, D**

Top 2 in each pool advance to a crossover round.

#### Quarters

- 1) 1A vs 2B                      2) 2A vs 1B                      3) 1C vs 2D                      4) 2C vs 1D

#### Semi-Final Championship

- 1) W1 vs W3      2) W2 vs W4

#### Semi-Final Consolation

- 3) L1 vs L3    4) L2 vs L4
